up. I send them to their room.

when we're going to settle down and have kids.

I used to look up to my older brother and copy everything he did.

my little brother. He's such a brat.

my mother at home because she is too ill to live alone.

off for swearing at his sister.

up on a farm by his grandparents.

up much more quickly these days than they used to.

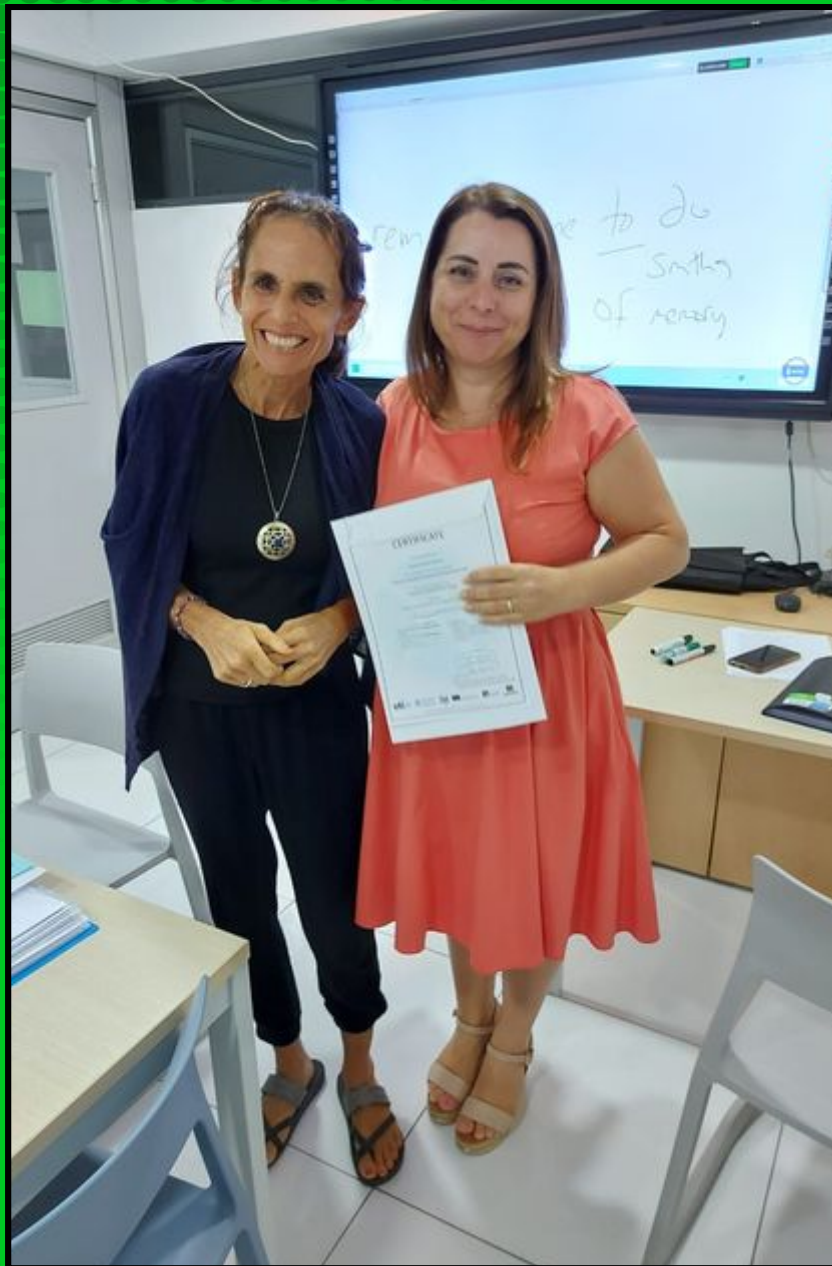

ter his mother. They have the same colouring and smile.

I don't get along with my sister. We argue all the time.
